

USATF NJ Open and Masters Track and Field Meeting  
March 11, 2015  
October 15 2014 Minutes

The minutes for the prior meeting were accepted after a motion by Claire Tafelski that was seconded by Josiah Novack.

We discussed the master prix. Then we discussed the indoor meet and selected a date February 22, 2015 to hold the meet. We would request the association list the meet on the website subject to the availability of a facility. We felt there should be no pre-entry at the meet. We would like an accounting of the meet and we should be clear on food and other issues. We should hire volunteers to rake the pit and mark the tape/hurdle heights before the meet. We discussed whether we open the meet for clubs.

Claire is working on 2015 stipend. David Friedman made a motion to adjourn and Claire Tafelski seconded the motion. We adjourned.
